

## **PRODUCT SPECIFICATION**

Product : **Albendazole**

---

Appearance : White or almost white powder

Identification : Positive

Related compounds :  $\leq 1.0 \%$

Loss on Drying :  $\leq 0.5 \%$

Residue of Ignition :  $\leq 0.2 \%$

Iron : (0.003 %)

Specific absorbance : 132 - 156

Assay : 98.5 - 102.0 %

Particle size : 90%  $\leq 20$  Microns

MSDS : available upon request
