

PRODUCT SPECIFICATION

Product : **H 2% Feed Grade (D-Biotin 2 %)**

Aspect : almost white powder

Synonym : D-Biotin

Formula : C₁₀H₁₆N₂O₃S

Properties :

Assay : min. 2,0 %

Carrier : Calciumcarbonate

Expiry date : 24 months after production date

Storage : store in a cool (below 15°C) and dry place

Usage and dosage : as per European feed catalogue additive regulation 68/2013

Classified as hazardous
as per EU regulation : no

MSDS : available upon request
