

PRODUCT SPECIFICATION

Product : **Mebendazole**

Description : White to slightly yellowish powder, almost odourless

Solubility : Melts at 288° C to 292° C

Identification by IR : Complies

Loss on drying : 0.28%

Heavy metals : < 0.002%

Chromatographic purity by TLC : Complies

Assay (on dried basis) : 99.51%

Residue on ignition : 0.067%

Bulk Density : 0.36 g/cc

MSDS : available upon request
